

Billing Policy

This office has no billing policy. A payment is expected in full when services are rendered. We will gladly prepare a written estimate, upon request, for all services. Hospitalizations, surgeries and boarding services are given a written estimate at time of check-in. A deposit prior to hospitalization and boarding will be required depending on the amount of the estimate.

For your convenience we accept Cash, Check, Visa, Discover, Master Card and Care Credit. If you choose to pay by check a copy of your Driver's License, and a credit card number are required to be kept on file to ensure payment will be honored at time of service. The credit card is kept on file as collateral until your check has cleared through your bank. In the event that the bank fails to honor your check a \$30.00 returned check fee plus the amount of the services rendered will be charged to your credit card. Checks will not be accepted without a credit card number and a copy of your driver's license to be kept on file. There are no exceptions to this policy. We apologize for any inconvenience this may cause.

In the event that Marlboro Village Veterinary Hospital needs to retain the services of legal counsel to collect any outstanding sums due and owing for any services rendered by us to you, you agree to pay for those fees and any associated costs.

I have read, understand, and accept the billing policy at MVVH.
